

## Message From Nate (Interlude)

King Iso

You know, your music saved my life, man, shit saved my life  
And I appreciate your music, man  
The other day, you know, I had that gun to my head and uh  
My brother kept askin' me, "Please don't, please don't"  
And you know life was just gettin' to me, and, you know  
Your-your music brought life to me  
Keep doin' your damn thing man  
There's nothin' in this world that made me feel  
The music like you made me feel the music this year, you know  
Thank you, God put you, God put you on this earth for a reason  
Keep-keep makin' these moves, keep doin' what you do, you know  
I see that you're doin' successful things in your life and you  
know  
Man, man, if you can get through it I can get through it to  
My brothers been through it too, man  
And that music really got to me and uh  
I haven't even stopped listenin' to your songs, you know  
"Don't Let Go" that "Don't Let Go" is what got me  
I salute you, I salute you my brother, I salute you  
I salute you all the way
