

They was asking if I'm good  
I'ma start telling the truth to you niggas, fuck it

Wishing that my doctor never got involved  
But I got it covered like a bodyguard  
They like "Iso, man you good?" Nigga not at all, huh  
Not at all, huh, not at all, huh  
Demons talking to me but I'm nodding off  
The devil fucking with me, told him knock it off, huh  
But did the nigga listen to me, huh? Not at all, huh  
Not at all, huh, not at all, huh  
Not at all, huh, not at all, huh  
Not at all, huh, not at all, huh  
Not at all, huh, not at all, huh  
Not at all, huh, not at all, huh  
Wishing that my doctor never got involved  
But I got it covered like a bodyguard  
They like "Iso, man you good?" Nigga not at all, huh  
Not at all, huh (Yeah, yeah, yeah)

"NAA", that mean "Not At All", homie, I was in AA off the alcohol  
I was sippin' ipecac like it was 'yak, now I shoulda black go and skin it th  
at follow dark  
My OG name is Big Pharma, y'all, smoke the OG like purp, they gon' harm us a  
ll  
But I'm married to this shit, breaking common law, somebody turning up on us  
, so I'ma turn my camera off  
Champagne, model broads, they think I'm livin' peachy but they got it wrong  
Bloody band-  
aids, cotton balls, that's why I'm getting ink is all up on my arms  
Yeah I'm pain, I got a ball, which I would use when I be speaking nigga, Hol  
ocaust  
Get out my damn way or cut the water off, made it out the MUD, homie Hardy H  
ar  
These niggas always thinking that it's Mardi Gras  
Until I'm masking up to get the gun and cut the party off  
I feel like every chick a groupie to me, love 'em? Not at all  
I got a need thick bitch and you skinny like a Barbie doll  
Falling off? I would not do bitch, not at all, I be making bitches cum and I  
do not be hard at all  
Delivery room there it's, that's how so many bodies fall like I'm short on r  
ent, obviously I ain't got it all  
Peter Parker when I started but I'm off the wall, I be on another planet bac  
k and rise I'm on Mars  
Fuck these niggas talkin' 'bout?  
The one that they forgot about the fresh up off the slaughterhouse, come kic  
k it like a soccer ball  
Don't wanna go to war like House of Shards, soldiers never tire, got you fli  
pping like an Armor All  
That's why to God I think I'm losin' and I'm highly off, fuck it I'll die ri  
ght now, nigga problem solved

Wishing that my doctor never got involved  
But I got it covered like a bodyguard  
They like "Iso, man you good?" Nigga not at all, huh  
Not at all, huh, not at all, huh  
Demons talking to me but I'm nodding off

The devil fucking with me, told him knock it off, huh  
But did the nigga listen to me, huh? Not at all, huh  
Not at all, huh, not at all, huh  
Not at all, huh, not at all, huh  
Not at all, huh, not at all, huh  
Not at all, huh, not at all, huh  
Not at all, huh, not at all, huh  
Wishing that my doctor never got involved  
But I got it covered like a bodyguard  
They like "Iso, man you good?" Nigga not at all, huh  
Not at all, huh

Came a long way from the hospital, can't believe that I got this far  
Momma, made it, I'm in awe, holy Top Ramen I'm in raw  
Funny I'm a criminal, comic con, still got a psycho ambiance  
Got a thick bitch, she play volleyball, and whenever we fuck I hops in raw  
I blew up and so did my problems y'all  
I'd paint a pic for you, I'm Robert Ross  
I'm manic as fuck but I'm handling stuff, I got them who give up is my monologue  
I'm an angel, the devil keep talking, y'all in my ear like he's testing [?]  
It's a Van Ghoull now, not a car, I swim classical when chopping bars  
I told 'em mental health matters, they said "not at all", go on tour they gave me every drug, [?]  
It's like they wanted me to relapse like Marshall no, I cut the news on, it's looking like martial law  
I prefer a Molotov, not a mazel tov, be feeling so disconnected like I'm logging off  
My therapist said "do you wanna talk", I said "not at all", 'cause every time I do I scream, Häagen-Dazs  
I don't wanna do Haldol at all, memory so gone responded gossip  
So the business regurgitating the topic off, all of my Tupperware tops are gone  
She telling me I need to see a doctor, y'all, so I took her on a date to Doctor John's  
Literally remember when I was on Remeron, fuck an autograph nigga, I'm signing off

Wishing that my doctor never got involved  
But I got it covered like a bodyguard  
They like "Iso, man you good?" Nigga not at all, huh  
Not at all, huh, not at all, huh  
Demons talking to me but I'm nodding off  
The devil fucking with me, told him knock it off, huh  
But did the nigga listen to me, huh? Not at all, huh  
Not at all, huh, not at all, huh  
Not at all, huh, not at all, huh  
Not at all, huh, not at all, huh  
Not at all, huh, not at all, huh  
Not at all, huh, not at all, huh  
Wishing that my doctor never got involved  
But I got it covered like a bodyguard  
They like "Iso, man you good?" Nigga not at all, huh  
Not at all, huh

Not at all  
They like, they like: "Iso, you good?"  
Naw  
I'm great
