

Redline

King Kobra

Everybody sees her walk into the room
Burnin' up with fire, still her eyes are blue
Ooh you know she's lookin' tough
Gonna turn the key and start me up

Never one to make it easy
She was pushin' from the start
Never gonna let me get the higher gear
(She gonna) redline my heart

Weavin' all over the road
Pppppushin' till I think I might explode
Movin' way too fast
The rate I'm goin' there's no way I can last

Never one to make it easy
She was pushin' from the start
Never gonna let me get the higher gear
(She gonna) redline my heart

There I lay up in a pile, a twisted wreck
I couldn't take no more She pushed me to the deck, Ooh
Mama pray for me
Open my eyes and let me see
