

# Da Difference

King Los

My diamonds dancing to the beat I let em dance  
Last night I wrapped about a mil in rubber bands  
I ain't got no chill now that I'm the man na na na na na na na  
Woah, You think you flexin that's a no  
We really shining that's the difference (I'm just flexing on my ex ho)  
Yeah its a difference (I'm thumbing all these texts thumbin thumbin thumbin)  
That's the difference (I don't answer when they text no no)  
Yeah its the difference (My niggas is up next)  
That's the muhfuckin difference

You say you put that pistol on yo... but you didn't  
I really slid down on niggas that's the difference  
You say you hit my bitch in the telly, boy you trippin  
She just a late night bitch, I put the dick in  
She love to see that heavy metal, when its drippin  
OTM across my neck with the shovel, this bitch glistenin  
You say she tryna set me up, you must be kiddin  
Last thing you gone see on the news, she was missin  
The difference is I'm a hustler you a snorta  
Last year I spent most of my money on jewels and lawyers  
They say I'm dope but intervene evrytime I'm on the scene  
When I got my ice on that's all you hear is bling bling

My diamonds dancing to the beat I let em dance  
Last night I wrapped about a mil in rubber bands  
I ain't got no chill now that I'm the man na na na na na na na  
Woah, You think you flexin that's a no  
We really shining that's the difference (I'm just flexing on my ex ho)

Yeah its the difference (My niggas is up next)  
That's the muhfuckin difference

[?] just let me hit her for some designer  
My chick won't even let you put it inside her  
Fuck a new friend get me new bitch and brain  
Go to the booth and I don't take a pin  
You keep on lying in your rhymes, know you ain't never committed them crimes  
Loving them thotties we passin them hoes  
Knockin em down yeah one at a time  
Only difference is a clarity, look how people stare at me  
They cherish me and I know this shit  
You don't do what you supposed to do  
You hate I can't relate to that just took your bitch gone take her back  
Got a [?] in here where the bacons at  
You the only one thinking bout saving that  
My new Cuban link weigh so many kilograms  
I just left the jeweler bout to kill a gram  
[?] it cost a hunnid bands

My diamonds dancing to the beat I let em dance

Look at my legacy look at my life  
Ho check my pedigree look to my right  
Left, left, right, left, left, left, tap  
Tell my soldiers to get him hit him and shake him like a pig, break him like  
a Twix  
Right, left really don't matter  
When the milli go brrrrr niggas gone scatter  
You ain't never met a badder rapper never rat us I be out in Cali grabbing c  
attish got a nigga grab the mattis like he do the cabbage patch  
Paaw! Blow a nigga cabbage back, paaw  
2Pac, All Eyes On Me tube socks how a young westside certified when I ride d  
a da da da da  
Tell them niggas this the difference I be in the kitchen whippin I put nigga  
s in position I be really living all that shit I talk about  
Hundred thousand dollars cars done got boring  
See you pull up in your coupe I'm snoring  
I put in my hustle, I done payed my dues  
I done struggled fuck I gotta say to you  
I just copped my baby something baby blue  
Shining for my time done got it on my back  
I call Moose and Skola put em on a track  
Ballin for the trophy yeah I brought it back  
Tell them niggas kiss the ring the king is back

My diamonds dancing to the beat I let em dance
