King Los

Don't worry about what somebody said about me
Tell me why they so comfortable tellin' you
You probably only real when you around me
So this is how I feel about them too
Do somethin'
Pussy nigga do somethin' pussy nigga do somethin'
Do somethin'
Pussy nigga do somethin' pussy nigga do somethin'
Some niggas gettin' to the jug other niggas ain't doing nothin' (they ain't
doing nothin')
So pussy nigga do somethin' pussy nigga do somethin'

I said I came up out the murder in the game bout to murder
Fuck you know about it you don't know a thing I'm about to learn you
I'm a west side, Baltimore nigga
Ain't the biggest just the baddest out of all these little niggas
Nigga damn I'm to I'll, posing for the camera hoppin' out the panamera with
the gamma blue wheels
And the roof peel, and the new grill got the lazy eyes on it like it had a few pills
Somebody call my jeweler tell him I'll be back tomorrow
Now my niggas pouring six and bring it back to aunt jemima
That's a syrup mother fucker I be stackin enchiladas
I be really gettin paper fuck a hater and his mama
OG Bobby Johnson baked potato on the llama
Turn a nigga into baked potatoes with the drama
Straight up out the gate I'm with the gators and piranhas
When I'm bored I fuck around and blow some paper in cabanas
