

## Dope-Dick

King Los

See me out in public start screamin like "Oh, shit!"  
Dancin in the pussy, she be fiendin for my ocean  
I said no miss, this that Zero shit  
I just break it down, then I beat 'em with the dope dick  
Beat em with the dope, beat em-beat em with the dope dick  
Beat em with the dope, beat em-beat em with the dope dick  
When a Ace on the table, then the Joker get his Queen took  
I beat her with the dope dick and leave her with the fiend look

Okay, dick game dangerous - might not make it out safe  
He can make your bed rock, but I can make your house shake  
I beat it like a good lawyer on a court case  
Strawberry whip cream, your man just short cake  
Heh heh, fly boy back in the fact  
I kiss your neck and your back, then the back of your neck  
While I back that ass down like Shaq in the paint  
I make your knees weak, you try to throw it back but you can't  
I strike you on your rear, bite you on your ear  
Say "I love this pussy", tell you what you like to hear  
She gettin so wet now, I think she finnta drown me  
She creamin, but cash rules everything around me  
Runnin from me, make me chase it down like a bounty  
Hunter, make me wanna come and hunt it like a bear  
I'm a lion, no lyin' while she lyin' there bare  
Jump up on her, now we at it like a lion and a bear  
Yeah, I love it when she paint her toes up  
Break it down, impound it, now she need a tow truck  
I'm movin weight girl, this thing like a whole brick  
And don't be shy baby, you can bring your hoe click

I beat em with the dope, beat em-beat em with the dope dick  
Beat em with the dope, beat em-beat em with the dope dick  
When a Ace on the table, then the Joker get his Queen took  
I beat her with the dope dick and leave her with the fiend look
