

# Fly Life

King Los

Going hard cause the time's right  
Living in the sky, see this the fly life  
What you mean, when it's up to you  
Me & my team just a couple dudes  
And we bustin' through  
This ain't nothin' new  
This is what we do  
This is what we do  
We goin', goin', goin', goin', goin', gone  
We goin', goin', goin', goin', goin', gone  
I said we goin', it's up to you  
Said you love me, cool & I love you, too  
This ain't nothing new  
This is what we do, this is what we do

We goin', goin' goin', goin', goin', gone  
And now they mad cause my whole team getting on  
It's kinda sad, in the lab like Dexter  
Next up, I ain't mad at the pressure  
Fess up, you mad cause we better  
Guess what? I don't really care  
Look up in the sky you can catch us in the air  
Yeah, we finna be gone  
Got your girl trying to jerk, no skinny jeans on  
Wanna be the king, come gimme deep throne  
Ha, I major in fly, doing suicidal like they prayed Allah  
I'm a favorite guy, Hercules' dad, cause I stay in the sky  
No shame in my squad

Going hard cause the time's right  
Living in the sky, see this the fly life  
What you mean, when it's up to you  
Me & my team just a couple dudes  
And we bustin' through  
This ain't nothin' new  
This is what we do  
This is what we do  
We goin', goin', goin', goin', goin', gone  
We goin', goin', goin', goin', goin', gone  
I said we goin', it's up to you  
Said you love me, cool & I love you, too  
This ain't nothing new  
This is what we do, this is what we do

Slut be true, just be you  
Would you really be tuned in to what we do?  
If those bright ass lights wasn't distracting your view?  
Reflecting off of my watch, I mean what's attractive to you?  
The way a nigga hustle for the shit a nigga buy  
She couldn't picture me in it if the picture wasn't fly  
Tryna pitch to you while you walking by with your nose up  
Or do you only recognize the nigga that pull a Rolls up?  
Why would I buy you a Rose in the club?  
If I'm poppin' Rosé, you ain't notice it, scrubs  
Dubs, shining on the whip I know ya like it  
Lemme tell ya like a woman told me that was a psychic  
"Son, one day the riches gone come

The picture gone switch & the bitches gone run  
In your direction, trust in your protection  
Then maybe one day you will love to become... King"

Going hard cause the time's right  
Living in the sky, see this the fly life  
What you mean, when it's up to you  
Me & my team just a couple dudes
