

Netflix & Chill

King Los

She said nigga you too fly don't make me cry
Don't break my heart don't pass me by, don't tell me lies
Hit me up and call my line when you get time
You been on my mind, on my mind
Netflix and chill (Ima put it down)
We can watch your favorite movie too (Just me and you)

Nasty, you so nasty
Riding dick you got it mastered, who can match it
He want you for dirty whineded like you Patra
I know you just want that tool when you acting ratchet
You a fine muhfucka I'm a rapping bastard
Ooh that pussy fresh like you had it wrapped in plastic and bro
ught it to me told me eat it for lunch
She stuffed the weed in my blunt
And we was jumping off planes I say she was G from the jump
Oh yeah she keep it a buck
Ain't really into mumble rappers she can squeeze a lil pump
Keep a uzi in the trunk, seen that booty in the coogi and I kne
w she was mine
She kept it too G like Gucci, Bougie and ooh she was fine, ahh!

She said nigga you too fly don't make me cry
Don't break my heart don't pass me by, don't tell me lies
Hit me up and call my line when you get time
You been on my mind, on my mind
Netflix and chill (Ima put it down)
We can watch your favorite movie too (Just me and you)
