KiNG MALA

La, la, la, la

Syrup dripping over
Drink you up my licorice lover
Sugar sweet
You're sweet

I'm a fly caught in your honey
Catch me up with all the yummy stuff
You bleed
You bleed

Why don't you let me follow
To the garden of your mind
Where everything is sweeter
Love and I am Sugarblind

La, la, la, la, la, la, la
La, la, la, la
Where everything...
La, la, la, la, la, la, la
La, la, la, la
Where everything...

Let me in the middle
All I want is everything I see
So anything you got belongs to me
Babe its simple
You're on the menu
Perfect recipe
I'm sick and you have got the remedy
I'm sick and you have got the remedy

Why don't you let me follow
To the garden of your mind
Where everything is sweeter
Love and I am Sugarblind

La, la, la, la, la, la, la
La, la, la, la
Where everything...
La, la, la, la, la, la, la
La, la, la, la
Where everything...

I'll ask for forgiveness in the morning
Sink my teeth into this tender moment
So let me into your mind
I wanna see what everything is hiding behind
I wanna taste forbidden sweets
Secrets creep
Only free when you're asleep
Let it see the daylight

La, la, la, la, la, la, la
La, la, la, la
La, la, la, la, la, la, la

La, la, la, la
Where everything...
La, la, la, la, la, la, la
La, la, la, la
Where everything...
La, la, la, la, la, la, la
La, la, la, la
Da, da, da, da, da
Da, da, da, da, da, da
