

Chickens

King Missile

We like chickens
Tiny little chickens
Little little chickens
We want chickens
Gimme chickens
Great big chickens
I eat chickens
Cook up the chickens
Give up the chickens
I want chickens
I will hatch the chickens
Little little chickens
I eat chickens
I can't wait for chickens
Gimme eggs
Gimme chickens
I will make the chickens
Gimme little eggs
I make the chickens
Fry up the chickens
Eat up the chickens
Dip the legs in sauce
Doggin' on the chickens
Lappin' up the chickens
They are chickens
Here are little chickens
