

Juniper Dog

King Missile

Juniper Dog
Juniper Dog
Come jump on me
Juniper Dog
Hop and play in your Juniper way
And let's forget the sadness

Juniper Dog
Juniper Dog
What's the matter, little
Juniper Dog?
Take your mind off these miserable times
Let's play the game of secrets

I don't wanna be here
I don't wanna play anymore
I don't wanna be here
I don't wanna live with you
I don't wanna be here
I don't even care anymore
I don't wanna be here
I don't wanna live
Alone

Juniper Dog
Juniper Dog
It's okay, sweet little
Juniper Dog
We can play some other Juniper day
When you feel a little better

Juniper Dog
Juniper Dog
Juniper Dog
Juniper Dog
Juniper Dog
Juniper Dog
I love you, little
Juniper Dog
