

# She Didn't Want

King Missile

She was surrounded by a warm glow  
She felt calm and relaxed  
For a change

It all started to seem so funny to her  
So meaningless, so beautiful  
For a change

She didn't want to kill  
She didn't want to die  
She didn't want to live  
She didn't want to lie

All hunger was gone  
All desire  
She didn't care what was on the television today

She didn't want to know  
She didn't want not to know  
She didn't want  
For a change

She didn't want to suffer  
She didn't want to bleed  
She didn't want to masturbate  
She didn't want to need

The universe was singing to her  
She was singing  
The universe was breathing to her  
She was breathing  
The universe was crying to her  
She was crying

She was feeling it all  
And it was so much for her  
Almost too much for her  
She passes out

She wakes up years later  
No time has passed  
Nothing has changed  
No news is good news  
She says
