

Gather Round

King Prawn

London town, come gather round.
London town yeah.
London town, come gather round.
London town yeah.

Every kind of bad man, every kind of good man,
Come to London yeah.
Come make a living,
Make a better day.
Every kind of sad man, every kind of good man,
Come to London yeah.
Come to make a living,
Make a better day.

London town, come gather round.
London town yeah.
London town, come gather round.
London town yeah.

Huh! Huh! Gather round.
Huh! Gather round.
Just like James Brown!?

London town, come gather round.
London town yeah.
London town, come gather round.
London town yeah.

Every kind of sad man, every kind of good man,
Come to London yeah.
Come make a living,
Make a better day.
Every kind of bad man, every kind of good man,
Come to London yeah.
Come to make a living,
Make a better day.

London town, come gather round.
London town yeah.
London town, come gather round.
London town yeah.

Huh! Gather round.
Huh! Gather round.
Just like James Brown!?

Gather round.

Tired of London, tired of life.
Tired of London, tired of life.
Tired of London, tired of life.
Tired of London, tired of life.
