

Viva Devi

King Prawn

Poolan Devi gave a shot, shot
To the caste system that must drop, drop.
Poolan Devi gave a shot, shot
To the caste system that must drop, drop.
Poolan Devi beats inside the hearts
Of those who want to be free.
Poolan Devi gave a shock, shock
To the caste system.

A civil war inside you see,
Caste system maintained for centuries.
An ideology of infamy,
Oppressors control peoples destiny.
Children born into slavery,
Raped of freedom, raped of liberty.
Those machaund (motherfuckers) cannot win again,
We must not relent.

Never run again. (Run again.)
Never run again. (Run again.)
Never run again. (Run again.)
Never run again.

We remember your name. (Wagh!)
We remember your name. (Wagh!)
We remember your name. (Wagh!)
We remember your name.

Poolan Devi gave a shot, shot
To the caste system that must drop, drop.
Poolan Devi gave a shot, shot
To the caste system that must drop, drop.
Poolan Devi beats inside the hearts
Of those who want to be free.
Poolan Devi gave a shock, shock
To the caste system.

No compromise.
Fuck the government that supports these lies.
Tear 'em down and choke 'em,
Through education we can break 'em?
Men of shame
Controlling woman's fate.
Men of shame
Standing by while others rape.

Never run again. (Run again.)
Never run again. (Run again.)
Never run again. (Run again.)
Never run again.

We remember your name. (Pop pop.)
We remember your name. (Pop pop.)
We remember your name. (Pop pop.)
We remember your name.

Poolan Devi, Poolan Devi,

Poolan Devi, Poolan Devi,
Poolan Devi, Poolan Devi,
Poolan Devi, Aghh!

Never run again. (Run again.)
Never run again. (Run again.)
Never run again. (Run again.)
Never run again
