

Ain't Together

King Princess

I know you're with me
And I'd love to see someone else call you
And all this in between
You think it's hard for me to tell you're falling?
Or we're falling

Being chill
Being chill with you
Oh it kills
I ain't chill at all
At all

We say "I love you" but we ain't together
Do you think labels make it taste much better?
Darling do you think if I talk enough
I will make you want to be mine?
We ain't together

Cut off all these hoes
Baby you don't gotta worry 'bout nothin'
'Cause everybody knows
That you and I got that something

Being chill
Being chill with you
Oh it kills
I ain't chill at all
At all

We say "I love you", but we ain't together
Do you think labels make it taste much better?
Darling do you think if I talk enough
I will make you want to be mine?
We ain't together

And I can't watch this fall apart
We say "I love you", but we ain't together
Do you think labels make it taste much better?

Darling do you think that if I talk enough
I will make you want to be mine?
'Til you don't say you and I ain't together
Ain't together
Ain't together
