

# Cheap Queen

King Princess

I've been alright  
I've just been doing the same shit I've always liked  
Like smoking and movies and homies who bring me wine  
Yeah I've been going out too much  
Talking 'bout myself too much

I can be good sometimes  
I'm a cheap queen  
I can be what you like  
And I can be bad sometimes  
I'm a real queen  
I can make grown men cry  
I can be good sometimes  
I'm a cheap queen  
I can be what you like  
And I can be bad sometimes  
I'm a real queen  
I can make grown men cry

Making my name  
All of my girls get up early and stay out late  
They drive all the way to the west side to see my face

That's good love  
And it ain't no big ballin'  
When his fake friends are calling

I can be good sometimes  
I'm a cheap queen  
I can be what you like  
And I can be bad sometimes  
I'm a real queen  
I can make grown men cry  
I can be good sometimes  
I'm a cheap queen  
I can be what you like  
And I can be bad sometimes  
I'm a real queen  
I can make grown men cry

I'm getting too cocky  
Since everyone wants me  
It's harder to be myself

But I see you love me  
It's better than money  
To know that you'd call me out  
When the money's out

I can make grown men cry

I can be good sometimes  
I'm a cheap queen  
I can be what you like  
And I can be bad sometimes  
I'm a real queen  
I can make grown men cry

I can be good sometimes  
I'm a cheap queen  
I can be what you like  
And I can be bad sometimes  
I'm a real queen  
I can make grown men cry
