

# Cry Cry Cry

King Princess

Well, fuck me, I thought we were friends  
But you stay pretending  
I talk shit when I'm with my band  
'Cause your time is ending  
You got rich, got higher demand  
But everybody wants me  
Just ask your man, babe  
Just ask your man, baby

Ooh-oooh, you're gonna cry, cry, cry when you hear this  
Ooh-oooh, you're gonna cry, cry, cry when you hear this  
Ooh-oooh, you're gonna cry, cry, cry when you hear this  
Ooh-oooh, you're gonna cry, cry, cry when you hear this  
Ooh-oooh, and I'll say, "Whatever"

Fuck this, I tried to be kind  
But It pulled your trigger  
And you're pissed but I'm feeling fine  
And I'm always gonna be too tough for you  
You're always gonna make things hard  
And they're always gonna just kiss up to you  
It's never gonna get you far, oh  
So go figure

Ooh-oooh, you're gonna cry, cry, cry when you hear this  
Ooh-oooh, you're gonna cry, cry, cry when you hear this  
Ooh-oooh, you're gonna cry, cry, cry when you hear this  
Ooh-oooh, you're gonna cry, cry, cry when you hear this  
Ooh-oooh, and I'll say, "Whatever"

And I'll say, "Whatever"  
And I'll say, "Whatever"  
And I'll say, "Whatever"

Ooh-oooh, you're gonna cry, cry, cry when you hear this  
Ooh-oooh, you're gonna cry, cry, cry when you hear this  
Ooh-oooh, you're gonna cry, cry, cry when you hear this  
Ooh-oooh, you're gonna cry, cry, cry when you hear this  
Ooh-oooh, and I'll say, "Whatever"

Yeah, it's done and not getting better  
And I'll say, "Whatever"  
Maybe it's time you surrender  
And I'll say, "Whatever"  
Yeah, it's done and not getting better  
And I'll say, "Whatever"  
Maybe it's time you surrender  
And I'll say, "Whatever"
