

Too Bad

King Princess

You're family
And I told you I'm'a be too much
Oh I get scary
And it seems like you're giving up
When I feel abandoned
Loose cannon
And I'm stuck with the blood on my hands
Oh I understand it
I'm manic
But you're trying to fuck with my plans
Oh I've heard it all before

Well, my god, is it hard to be loved
But that's life
Too bad that I'm never enough
So sad got me licking my cuts
And that's fine
Too bad that I'm never enough

They hate me
Oh that's what I tell myself
Oh they're always taking
Cheap shots at my feeling well
I'm a shell of a man and
A loose cannon
Stuck with the blood on my hands
Oh I understand it
I'm manic
You wish I'd forget who I am
Oh I've heard it all before

My god, is it hard to be loved
But that's life
Too bad that I'm never enough
So sad got me licking my cuts
And that's fine
Too bad that I'm never enough

Well too bad that I gave you my trust and all my time
Too bad that I'm hating myself so I can like you
Well I'm good
And I'm sure, yeah
And I've heard it all before
