Business as usual, just what's on your mind Give you some of mine So the breaks don't come so easy hesitate And fall asleep, taking care of mine

So the crime we find is just human behavior Everybody's in the line
So the crime we find is just human behavior Time will find

Little do we really know? The river ego deep and wide Everybody mission

If I make the wrong decision Never known is never more Faster than before

So the crime we find is just human behavior Everybody's in the line So the crime we find is just human behavior Time will find you, yeah, you, yeah You'll find me, time

Business as usual, just what's on your mind Give you some of mine So the breaks don't come so easy hesitate And fall asleep, taking care of mine

So the crime we find is just human behavior Everybody's in the line
So the crime we find is just human behavior Time will find

So the crime we find is just human behavior Everybody's in the line
So the crime we find is just human behavior Time will find you
