

## Julie

King's X

Too many tears from your eyes  
Never enough coming from mine  
I've been sold to find my way  
I'm not looking for love today

Sorry Julie  
Sorry that I made you cry  
I could die  
Sorry Julie  
Sorry that I couldn't quite  
Realize my pride  
Yoo hoo

Too many tears from your eyes  
Never enough coming from mine  
I've been sold to find my way  
I'm not looking for love today

Sorry Julie  
Sorry that I made you cry  
I could die  
Sorry Julie  
Sorry that I couldn't quite  
Realize my pride  
Yoo hoo
