

# No Flaws

King Von

No flaws  
King Von  
I ain't got no flaws  
No flaws  
King Von  
DJ on the beat, so it's a banger

I ain't got no flaws  
So please don't bring your ho 'round me  
I brush my teeth, then floss  
These diamonds, ain't no cavities  
Boy, I got all this sauce  
Foreign bitches be on me  
Got diamonds in my watch  
I can't tell what time it is

Bitch, get out, now walk  
Told these hoes 'bout playin' with me  
And he outlined in chalk  
All my bullets RIPs  
She left me, ha-ha  
Man, these hoes be so funny  
And you know how I rock  
All these hoes in love with me  
When I pull up, they run  
All the opps, they run from me  
And they call me "King Von"  
K-I-N-G V-O-N, say

I ain't got no flaws  
So please don't bring your ho 'round me  
I brush my teeth, then floss  
These diamonds, ain't no cavities  
Boy, I got all this sauce  
Foreign bitches be on me  
Got diamonds in my watch  
I can't tell what time it is

I don't wanna talk  
Baby, don't you talk to me  
And my new house, I bought  
Closet big, come walk in it  
And three-car my garage  
I just put a horse in it  
I don't like her no more  
It ain't no point in forcing it  
And Von. He the G.O.A.T.  
I be ducking all the pigs  
I turn up at my shows  
I swear I love all my fans

I ain't got no flaws  
So please don't bring your ho 'round me  
I brush my teeth, then floss  
These diamonds, ain't no cavities  
Boy, I got all this sauce  
Foreign bitches be on me

Got diamonds in my watch  
I can't tell what time it is  
I ain't got no flaws  
So please don't bring your ho 'round me  
I brush my teeth, then floss  
These diamonds, ain't no cavities  
Boy, I got all this sauce  
Foreign bitches be on me  
Got diamonds in my watch  
I can't tell what time it is
