

Baap Aa Gaya

King

Hello?
Bada kaand ho gaya hai
Phat rahi hai, Rana
Please
Tum hi sort kar sakte ho!
Pata hai

Teri bhen, Teri bandi, Tera dost, Tera baap
Sabki fate toh mujhe hi sale call kare
Mudda sune aadha, pata lag jata
Yaha ek hi banda hai jo saare tedhe matter solve kare
Ek haath khaali, pistol bhari duje haath mein
Ye sach bolta hai iski banti iske baap se nai
Saare kaat'te hain rishte saare saanp
Double cross wali cheezein isne dekhi apni aankh se hi

But I'm just living for my kids, every day I'm talking risks
If you know what it takes, you should be proud of me
I'm a real deal, saare naake kardo seal
Baap aa gaya hai!

Baap aa gaya hai!

Baap aa gaya hai!

Malum kya kara? Goli maarke aara hu

Thella juttu undi ante thella puli ra nenu
Na inti peru lekapothe neeku pere ledu
Na blood tho puttinav, na blood e veru
Nekoche maata nadaka nerpina ne aiyyanu raaaa
Thandri koduku madyalo yuddame e idhar
Pilla bacha gaallatho... geliched evar?
Veedi tholu theestha, na boot ki leather
Ee father scene lo entry isthe nene godfather!

But I'm just living for my kids, every day I'm talking risks
If you know what it takes, you should be proud of me
I'm a real deal, saare naake kardo seal
Baap aa gaya hai!

Baap aa gaya hai!

Baap aa gaya hai!

Baap aa gaya hai!
