Kahan gayi abhi yahi thi woh
Kisi ne pata kiya kahan gayi woh
Roz aati mere sapno mein
Jise dhundh raha tha wohi thi woh
(Goddamn) Woh lagta hai jaale degi
Mujhe jeene ki koi saza de do
Par lagta hai bach na sakunga
Chalo marne ki koi wajah de do

Tere liye hi ruka hoon aake dekh lo
Cuz all you need is your girlfriend
When you're on the floor
They say

Bumpara bumpara bumpara bump
Bumpara bumpara barabara bump
Bumpara bumpara bumpara bump
Bumpara bumpara barabara bump
(I wanna see you)

Bumpara bumpara bumpara bump
Bumpara bumpara barabara bump
Bumpara bumpara bumpara bump
Bumpara bumpara barabara bump

Shimi shimi ay shimi ay shimi yo
Came to the club, no panties, no bras
Skip the dancefloor, went straight to the bar
Tell me what you want, what you really really (want)
One to the two, to the three, four, five
Face from the Delhi but the ass from Mumbai
Said she like jalebi so I gave her malai
I'm only here for the night

Tere liye hi ruka hoon aake dekh lo
Cuz all you need is your girlfriend
When you're on the floor
They say

Bumpara bumpara bumpara bump
Bumpara bumpara barabara bump
Bumpara bumpara bumpara bump
Bumpara bumpara barabara bump
(I wanna see you)

Bumpara bumpara bumpara bump
Bumpara bumpara barabara bump
Bumpara bumpara bumpara bump
Bumpara bumpara barabara bump

Bumpara bumpara bumpara bump
Bumpara bumpara barabara bump (I wanna see you)
Bumpara bumpara bumpara bump
Bumpara bumpara barabara bump
