CROWN

King

They want me to walk on water
Just to throw me in to sink
Everybody points a finger
But they don't really know a thing
Every story has a critic
Who never steps into the ring
'Cause nothing's as heavy
Nothing sits heavy as the crown on the king

Mujhpe hai
Ye nazrein mujhpe hai
Kya raja hi jiyega banke saari muddatein
Main mere jaisa ek
Tum bataado kon sa
Jo saamne khada hua
Milega mitti mein
Aankhein bhaari, raatein kaali
Puche kaisi durdasha
Main zinda mein bhi murdon mein bhi
Naam amar hun kar chuka
Chhodh do, chhod do meri saansein
Chal padha, main ruka hua tha jahaase

Reign of the king, Reign of the king
Bend down and kiss on the ring!
Reign of the king, Reign of the king
Bend down and kiss on the ring!
Reign of the king, Reign of the king
Bend down and kiss on the ring!
Reign of the king, Reign of the king
Bend down and kiss on the ring!
Reign of the king, Reign of the king
Bend down and kiss on the ring!

Jisne aankh ladaake baer rakha
Paer rakha jab keher macha
Vo apne karam ka raja, baap ghamand karta hua kabhi na thaka
Dua deti nahi rukti hai maa
Kitno ki maa ka main jaise beta
Kitno ka bhai aur kitno ki aankhon mein
Jhaankta firta main apna pata
Mujhe dhoondhne do
Aasmaan ko chumne do!
Aaj khaakh se laakh ka
Main usi baat ka, jis baat ki shuruaat ka ant mile
Chaahe na bhi mile, maine palat diya hai rukh ab itihaas ka
Panne khule, kisne padhe, kuch na dikhe
Hum the chale, raah pe jinke na bande dikhe
Khud hi kiya, pele chale, dekh rahe mujhe dur se!

Ho panja maarke giraadi jisne khwaab ki diwar
Boley tarakki mashook
Kalakaari sachha pyaar
Kehti aankhon mein na jhaanko raja hua baaghi aaj
Haqdaar lene aara apna taaj
Woah! The King is in the building
Sometimes being late is being right on time
