Hum Tumse

King

Aankhein khuli meri vo baithi thi saamne
Kehti mujhse baat kar kabhi to mera naam le

Main khush hun ke tu aankhon ke samne
Par tu zada na bolta aur hum dono ye jante

Aisa lagta abhi bol padega
Abhi khol dega saare raaz jo darwaze jante

Kitni aayin andar kitni gayin bahar
Hum to dhoke mein rahe hum bas yeh sach ni mante

Aur aisi bhi ab kya karna hai duniya ka
Jahan pe jaan lele jaan pyaar ke naam pe

Main to muft me hi teri ho chali thi
Par aaj pata chala kabhi hue hum bhi nilaam the

Hum tumse kya hi ladenge
Tum jeet jaate ho

Hum tumse kya hi ladenge
Tum jeet jaate ho

Hum tumse kya hi ladenge
Tum jeet jaate ho

Hum tumse kya hi ladenge
Tum jeet jaate ho

Kitna kuch kha tune kab suni
Ye kahaani bhi hai khud chuni
Par main ilzaam lagata nai
Kyuki aisa karna main chahta nai

Aur tune aisi baatein kab suni
Ke teri mujhe nahi khale kami
Main bas tujhe yaad dilata nai
Kyuki aisa karna main chahta nai

Hum tumse kya hi ladenge
Tum jeet jaate ho

Hum tumse kya hi ladenge
Tum jeet jaate ho

Hum tumse kya hi ladenge
Tum jeet jaate ho

Hum tumse kya hi ladenge
Tum jeet jaate ho
