

Hm, hmm-mm

Yeah, yeah

Main kheenchun apne paagalpan ki photo, hai fact

Maine kheenchhi apne iPhone se par moment Kodak

Main aaya patte pack karne bas you should know that

I'm feeling like I'm GOAT, man, I gotta show that (J-J-J-J)

Gotta show that (J-J-J)

Yeah, yeah

Aake dekh lo, bhai, maine nahin kheenchhi rajai, thodi-si hui padi jhai

Woh kheench rahi tie, kisne hai patti padai? North-East se aayi

Khaane mein roti nahin, rice, dikhne mein chhoti nahin, badhiya hai height

NCC gate ke baahar hai laga di maine gaadi aur woh mujhe dhoondhti aayi

Saath mein ek cheli pakadti laayi, safar mein ho gayi do-do lugai

Dono lugai ke hain bande ghar baithe soch rahe, "Baby nazar nahin aayi"

Baby nazar kaise aayegi jo saath gayi mere? Uska lifestyle thoda high

She loves go for wine and dine, she loves to party every night

Aur average har bandi ki tarah teri baby ne ek se tattoo chhupaye

Milega pakka dekh kalai, collarbone pe chidiya udai

Aur ek to tattoo aisi jagah pe jo ab tak tune bhi dekha na, bhai

Likha, "Bite me, bed pe fight me"

Kawasaki, kehti, "Ride me

I'm so lonely, I'm so dicy"

Ya to bande ko bol do "Main friend ke ghar" aur so jao tum bhi nicely

Puri raat woh ghar pe nahin aayi, Sultan kar gaya puri chadhai

Maine jhanjh mein pen utha kar hi likh di panne pe ek sikhai

Aisa kutta paalne ka faayda nahin jo sardi mein mange rajai

Aisi kutiya nahin banti palatu jo market mein kheli khilai

Aise bande nahin hote dost kabhi jo sabse dosti badhayein

Aur tez rap karke koi faayda nahin jab baat hi samajh na aaye

Janm se jaati samajh na aaye, rakam ke saath hi sanam bhi aaye

Aake seedhe utaar ke latte maut bhi nanga naach nachaye

Hum bhi baithe khel khilayein, antim saans tak pelte jayenge khaanske

Khayenge mai ke haath se roll bhi bhai ke haath ka

Jhai mein saath mein beat bana di UKato ne, kehta ke "Bhai, ise chod ke jaye nge"

Maine bhi galiyan bana di hain highway, moti kamai hai

Pant silai hai khaki color ki, ek rapper ki pure saal ki kamai

What the fuck? Who's calling me?

Kya chod hai, yaar? Main nahin kar raha baat

Calm, sun, tu suna de

Aur sun, Encore ko call kar ke pooch le, "Kahan par hai woh?"

Main aata hoon tab tak fame moot ke

Yeah (Prrah)

Kahani ek bandi ki milti thi mujhe Hauz Khas mein (Wooaah)

Thi party starter, mili NCC gate pe das baar (Haan)

Milti thi party mein, dikhti gaadiyon mein line'eiin kaat ti

Phir dikhi Aurobindo Market mein kahin mere doston ke saath

Ye baat hai 2014 ki, karta tha promotion

Halka-phulka paisa, baap ki gaadi, bharta tel har roz hi

I was broke as fuck, karne aata tha kaam

Aur DJ Karma ne shuru mein keh diya tha, "Stay away from pussy" (Show pe bol a)

To main tha kaam pe ek din, aake kehti, "Where's your friend?" (Kahan hai?)

Kar rahe the date woh dono saalon se, "Nahin pata, behen" (Abe, mujhe kya pa

ta?)

"Woh pick nahin kar raha hai call, use bol de na ki, "Call me back"

I told her, "Cool" aur chal pada karne kaam like it never happened (Maa chud aye na)

Phir ek raat club mein kisi usi dost ke saath hi hoon (Uh)

Hai bas ek whiskey ka paisa to main ek glass hi loon (Uh)

Un dono ka breakup ho gaya, milte hain lekin, shit is cool

Us raat bhi mile, dono thode awkward the, main khada door (Uh)

Nikla phone se jaise hi, bandi aake baithi close (Shit)

Main bar pe tha us glass ke saath, woh aake poochh rahi, "Kaise ho?" (Bas ho on theek)

Maine kaha, "Sahi" aur aankhein dhoondhne lag gayi dosto ko

To woh aane lag gayi paas aur poochh rahi, "Will you buy me a drink or no?"

(Abe, chal)

Maine kaha, "Nahin, ye wali share kar lo" (Ha-ha)

Dost nahin dikha kahin, bheed thi bahut

Dost ki ex tryna feel me, bro

Mere sar mein chal rahi hain cheezein sab (Bhenchod)

Jaise "Is bandi ka scene kya hai?"

Aur koshish hai meri ise bhaav kam doon (Bhaav kam)

Like how do I tell him ki usne ye poochha ki "Kya tum pe grind kar loon?" (Ha-ha)

No saal baad, baitha tha stu' mein, bula rahe the dost apne ghar pe, thi house party (Prarah)

"Acha change hoga," ye soch ke chala gaya aur kaafi the log jinhein jaanta nahin (Woo)

Wahan dikha mujhe ek jaana-pehchaana-

sa chehra, thi, baave, woh wahi bandi (Shit)

Alag-

si lag rahi thi, alag the kapde aur alag thi bandi ki energy (Ye baat hai?)

Aise ki woh kabhi waisi to thi hi nahin (Ha-ha)

Jaise daaru to kabhi kahin pee hi nahin (Ooh)

Jaise nashe aur Hauz Khas mein jee hi nahin (Ooh)

Is bandi se seekha main ek hi cheez

Ki kaise kuch cheezein badal deti zindagi, pehle woh doobi thi daaru mein

Ab uske gale mein choker nahin, woh mangalsutra pehni hai

Pehle thi groupie, ab doodh ki dhuli hai

Pehle tha rapper koi daddy, ab bachchon ki mummy hai, gharelu bandi hai

Shayad woh soche ki, "Pehle bahut masti ki hai, abhi do bachche aur pati hai"

Badli woh kyun ki bahut thi zimmedariyan

Bahut achhi maan hai aur apne liye waqt nahin hai (Prarah)

Kiya jo sahi laga dekh ke, ateet ko fainke woh jeb se

Usne ye socha ki "Ye bata, kab tak koi bhagega aur bachega chain se?

Kiya jo sahi laga dekh ke

Fuck, Encore kahan hai? Ise phone karta hoon, ek second

(*Phone rings*)

Hello

Abey yaar, bandi to palat gayi, yaar, ye

Jiske saath main aaya hoon, yaar, show ke baad

Haan bhai, I told her, no fucking feelings, bro (Pfrr)

Pata nahin, kya keh rahi hai? "Doston se baat kar le mere"

Ruk, main tereko callback karta hoon, yaar, do ghante de mereko, sab samjhat a hoon

Us dumb bitch ko baatein samajh nahin aa rahi to ye extra slow hai

"I really love you for the night par mere pe extra do hain (Haan, ji)

Agli do raat ke liye, tere naye daddy ke saath

Har raat nai J' Lo' hai jo chahti tujhse extra low hai (Facts)

Aur extra thick hai aur sexy lips hain"

Hold up, chal rahe mere extra lips hain

Kyunki ab woh lag rahi extra jealous aur ye extra risk hai
Ek nakli rape ke case mein jail, without the bail hai
Aur woh bhi extra shit hai to dhyaan se
Soch ke main wapas bed pe uske saath mein (Haan)
Mera haath jaaye uski taang se hota wahan andarooni jhang pe
Kamar se khenchun usko apne paas mein
Kalai ko jitna tight se pakadun, utni lambi saans le (Haan)
Gale se aata uske kaan pe bolun, "Meri chhoti-moti-si baaton ko jaan de
Main rehta hoon distant" "Kitna distant?" "Bitch, saatve aasmaan pe
Baakiyon ne bech die hain apne par pehle hi kaudi ke daam pe (Kaudi)
It's funny kaun, kya-kya kar sakta hai "Sorry" ke naam pe (Sorry)
Aue usse yaad aaya, aaj raat ke lie thank you
Kal raat naya hotel bed (Yeah), naya restaurant (Yeah), naya menu
Tear dil todna hota toh main pehle hi deta keh jhooth
Emotionally unavailable, there's nothing that you can do"
Ab sun rahi hai itne itminaan ke saath
Hain honth abhi bhi chal rahe uske kaan ke paas
Aur usne bola, "Fine, I get it par ye tera hi hai loss
But, promise me, you'll call again"
Main has ke bola use, "Of course, bye" (Ha-ha)

(*Phone rings*)
