New life
No loss
King!

Jo tune mujhe pyaar na kara (koyi nahin)
Tera naya yaar bhi bana (koyi nahin)
Akela tha akela raha (koyi nahin)
Aaj jo main star bana tu (soyi nahin...)

Main lenda rehnda ashikaan de naal panga
Tethon jada dushmanna da saath changa
Tethon jada mere naal loyal rave
Main devilaan de naal behkhe kara dhanda...

Dil me zehar bhara muh pe meharbaani kyu?
Jo hai tu nahin vahi banke dikhani kyu?
Inna jaldi jana taali bhi nahin baji jitti jaldi
Chaar chillar baje bik gayi jawani yun...

Mere faasle bhi zamane se kam nahin hai
Aur tu bhi keh gayi mujhe bolne ka dhang nahin hai
Tha kasoor mera itna main jhuka nahin
Vo hoti self respect jana vo ghamand nahin hai...

Jo tune mujhe pyaar na kara (koyi nahin)
Tera naya yaar bhi bana (koyi nahin)
Akela tha akela raha (koyi nahin)
Aaj jo main star bana tu (soyi nahin...)

Main lenda rehnda ashikaan de naal panga
Tethon jada dushmanna da saath changa
Tethon jada mere naal loyal rave
Main devilaan de naal behkhe kara dhanda...

Main dil dekhu tum kyu lambi car dekho
Muh uthaake zara galiyon ke bhaar dekho
Tum galat ni jo fir ek raaz kaho
Kaamyabi se pehle kyu kaabilon ki haar dekho?

Jo dikhe mujhe dukh ke waqat nahin
Ab bole mujhe jatata kyu haq nahin
Vo ek ek banda dhokhebaaz
Mujhe sab pe yakeen mujhe kisi pe bhi shaq nahin...

Main baatein rakh lun
Bina kuch kehte huye jin logo ki
Iss saal career jo khatam main
Fikar karta hun aise logo ki...

Mujhe aise bande bhar na mile
Dua karo hum bhai chaar na mile
Todne chale the parivaar unki chhati
Bhardi pital se koyi aisa akhbaar na mile...

Main lenda rehnda hateraan de naal panga
Tethon jada kutteyaan da saath changa
Tethon jada mere naal loyal rave

Main devilaan de naal behkhe kara dhanda...

Asli mard nahin jo chadta ho kandho pe
Achi nazrein na mile aise andho pe
Mere lavzon ki qimat bohot
Raja likhe jazbaat raja likhta ni bando pe...

I am a fuckin rockstar and I don't need to prove
Tv pe saare hit maare desh kara groove
Abhi to legends se pehle no loss
Million cross yeh bhi hit mara hogi breaking news
