Yeah, yeah
You already know what it is

Main dhoondhu tujhe har jagah
Kahan chhupke tu baithi zara de bata
Aayi bhar ke jawaani tere body mein
Ya to mere ghar aja ya to tera dede pata
Karenge hum zada kuch nahi baby
Bas thoda thoda hint mein dedu bata
Aag lag jaani jaan ke jaan tu jaan se badkar meri

Main thoda teri aankhon pe marr gaya
Main thoda teri baaton pe marr gaya
Tu thoda thoda move hui jo
To sara mera jaam bikhar gaya
Oops!

I just spilt my drink I'll buy another
When I find you let's take this undercovers
Don't say anything like we undercover
Where'd you get that from, oooo your mother?
You a cutie with a booty and that's hard to find
Cus every minute without you is a waste of time We hold hands I do it with y
ou like 9 to 5
Don't care what your parents say I'll make you mine
Tick tock the clock goes my wristwatch
Don't shine as much as you let's get lost
In a trance lets do a dance n find romance
Look into my eyes and know baby

Main bola teri aankhon pe marr gaya
Main bola teri baaton pe marr gaya
Tu thoda thoda move hui jo
To sara mera jaam bikhar gaya

Main apni hi marzi ki maalik hun
Mere baare abhi kuchh bhi na jaane tu
Mere pyaare itihaas nikaal ke dekh main cheez hun kya?
Mujhe Call aya jiska vo daddy nahi ek tha
Baby vapas ajao uska hi text tha
Vaise main faltu ki baatein ni sunti
Par jitna bhi kaha tune sab kuch best
Main bhi kal hi mili hun teri mummy se chowk pe
Mauke pe chauke bhi maare hain shaunk se
Kehti hain baat hazam nahi hori pasand tujhe ladke mein aya mere kya?

Main boli teri aankhon pe marr gayi
Main boli teri baaton pe marr gayi
Tu thoda thoda acha laga jo
Main tujhpe hi poori bikar gayi
Oops!
