

Outta My Mind

King

(Shimmy ay, shimmy ay
Shimmy ay, shimmy ay)
This is your Rocco, baby

Shimmy ay, shimmy ay, shimmy ay
I can't get you out of my mind
I never meant to break ya heart at first time
Why ended up in here? Why you not mine?

I'm sorry, I need ya, you want me, I feel ya
You ain't happy, believe ya
Na keh tujhse mein pyaar karta nahi

Tu meri aankhon mein aa dekh bhi le
Pyaar kitna hai karna delay
Hate karne ki nahi doon na wajah
Na tera dil hai, na mera dil hai

Tu mujhe jee bhar dekhne de
Na mujhe lage aaj honi subah
Haan hoti meri tujhse baat bhi nahin
Par phir bhi kabhi, mujhe lagti wajah

Tujhe pyaar se dekh loon
Tere honth lage Hennessey
Inhein peeke thoda jhum loon
Sach ho jaaye meri fantasy

Teri reshmi jawaani
Lage haath na aani
Pyaar main bhi ziddi hun thoda
Kehti hai tu bhi haar na maani

Oh meri jaan, meri jaan
Don't tell nobody we in love and we should keep it low
Bae, you should know
Queens do not compete with hoes

Aye, toh karo pyaar mujhse, pyaar leti raho
Yoon hi deti raho, eh

Aankhein nashili hai pyaar mein
Gussa phir kyun hai bekaar mein
Let me touch you, baby, baby
Let me kiss you, baby, baby

Aankhein nashili hai pyaar mein
Gussa phir kyun hai bekaar mein
Let me touch you, baby, baby
Let me kiss you, baby, baby

Shimmy ay, shimmy ay, shimmy ay
I can't get you out of my mind
I never meant to break ya heart at first time
Why ended up in here? Why you not mine?

I'm sorry, I need ya, you want me, I feel ya

You ain't happy, believe ya
Don't say that I don't love you no more

You got the the moves that I like, girl
Keep you around for the night, girl
Why you talking 'bout am I sorry?
Never thought I'd feel broken hearted

Can't get you out of my mind, girl
Need you to feel something right
Why we gotta waste all this time?
Fuck around for the night, getting down for the night, aye

Just be patient, promise I won't keep you waiting
Lonely nights, I keep 'em filled with hesitation
Down the bottle, keep 'em lined up in formation
Call me captain, keep 'em standin, never waiting

I keep the grooves for the night, girl
Chronic, I mix with my Sprite
Tyrna make you feel love, I'ma make you feel right
Keep my eyes on the prize, hold you down for my life aye

Shimmy ay, shimmy ay, shimmy ay
I can't get you out of my mind
I never meant to break ya heart at first time
Why ended up in here? Why you not mine?
I'm sorry, I need ya, you want me, I feel ya
You ain't happy, believe ya
Don't say that I don't love you no more

Shimmy ay, shimmy ay
Shimmy ay, shimmy ay
Shimmy ay, shimmy ay
I can't get you out of my mind
