

She Don't Give A

King

And this goes of for all the beautiful ladies in this world
Who got a dream
A dream to fly high
Where nobody gonna stop you
Nobody gonna tell you what to do what to not
And those goes all for you baby
Ain't nobody gonna stop you
King

Oh sari duniya to vakh
Kendi I don't give a fuck
Akha vich armaan odha
Kadde jaave na oh thakk

Wohoho

Sari duniya ko baatein khaati teri teri
Jab kardi tu baatein bass teri teri
Jo sochein tera armaan chhota
Aaj unko bataade ye

Ke tu rukti nahi hai
Ke tu tut'ti nahi hai
Waise aage jhuki honghi apsara
Raani jhukti nahi hai

Usey kabhi maine bheed me na dekha
Vo rehti kinaaron main
Vo chamkili cheezon pe kya maregi
Jo khud hai sitaaron main

Aajkal chhapein khabre teri
Ye duniya wale akhbaaron mein
Pehnti hai chhote kapde bohot
Aur ghume lambi caaron mein

Par baby duniya to vakh
Kendi I don't give a fuck
Akhaan vich armaan odha
Kadde jaave na oh thakk

Wohoho

Pairon pe jhanjhar nahi hai teri bediyaan
Jahan tu bolegi vahi pe lage gediyaan
Tu bass ese logon se ni darna
Jo tujhe kabhi na de aage badhna

Ye teri galti nahi hai
Ye duniya waalon ki kami hai
Jo teri khushiyon mein shaamil nahi
Saale jalte vahi hain

Usey kabhi maine padhte na dekha
Faltu baaton mein
Vo haske sabse hai milti
Aur roti raaton mein

Aajkal chhapein khabrein teri
Ye duniya waale akhbaaron mein
Kehnte sali mein ghamand hai bada
Bethe naami kalakaaron mein

Par baby duniya to vakh
Kendi I don't give a fuck
Akhaan vich armaan odha
Kadde jaave na oh thakk

Par baby duniya to vakh
Kendi I don't give a fuck
Akhaan vich armaan odha
Kadde jaave na oh thakk

Woah-oh...
Ain't nobody can stop you
Ain't nobody can hold you
Ain't nobody can tell you

I just wanna say it to you

Tera jeene ka poora haq
I know tu deti nahi fuck
Ye jaana poora asmaan tera
Main bss kehna best of luck!
