

Tum Saath Rehnaa

King

Hum rokthe nai
Tumko tokthe nai
Jitna bhi karlo sitam hum tumko chhodte nai

Log kya kahenge
Hum sochte nai
Tumhe khulke pyaar karein hum chhupke ot mein nai

Logo ko maine dekha hai oro ki baahon mein lipthe hue...

Humko jo yun tum bhoologe dekhkoge hatho se mit'te hue

Tum Bss sath rehna!

Yun rusa na karo
Hum kuch na bolunge
Bss dil mera dukhana nai soniya

Tum jo dil hai karo
Hum fir na tokenge
Bss chhod ke tum jana nai soniya

Yun rusa na karo
Hum kuch na bolunge
Bss dil mera dukhana nai soniya

Tum jo dil hai karo
Hum fir na tokenge
Bss chhod ke tum jana nai soniya

Tere saye se lipthe hain
Ab raaton mein hi dikhte hain
Hum hosh ki pakde kalam
Teri baatein sharab se likhte hain

Kuch kehna bhi chahte hain
Par bol galat se hain
Mera paisa aur ye ghamand tere aage hi khaakh mein bikte hain

Aur hum kabhi karte nahi apne naam o karam pe ghumaan

Aur hum bhi ghumshudaa hoke naache kya tujhko khabar meri jaan

Ab aate na nazar to ye puchenge humse gaye the kahaan?

Logo ne jo dil todha tha un tukdo mein hi banaya jahaan

Tum bas sath rehna!

Yun rusa na karo
Hum kuch na bolunge
Bss dil mera dukhana nai soniya

Tum jo dil hai karo
Hum fir na tokenge
Bss chhod ke tum jana nai soniya

Yun rusa na karo
Hum kuch na bolunge
Bss dil mera dukhana nai soniya

Tum jo dil hai karo
Hum fir na tokenge
Bss chhod ke tum jana nai soniya
