

We Are The Ones

King

I am the one, 000 000 0000, 00000 00 0000
I am the one, 0000000 000, 000000 000000 000
I am the one, 0000000 rule 00000 Raja 000 00
0 00 00 0000, Grammy 00000 0 000 000 000
I am the one, stockin' 'em Gandhis, lockin' them up
New Delhi rocky, I'm comin' up
They call it, "Cocky", a billion plus
Nothing can stop me

We are the ones, who come up beatin' the drums
We are the ones, in slums, we blazin' our blood
We are the ones, who do what they've never done
We are the ones, the ones and we runnin' it up

0000 000000 00 00 Raja? 00000 00 00 000 Raja
00000 00000 00000 000000?
00000, 000 000000 00 00 Raja? 00000 00 00 000 Raja
00000 00000 00000 000000?

It's Gucci!

I'm the one with money that stretch like the Nile river (Nile)
And she ain't gotta ask, do it right, and then I'll tip her (Ye ah)
I'm ballin' all in India, lost slippers, they buy Fendi (Fendi)
Gucci Mane ain't stingy I'm giftin' Bentleys and Benzes
I feel like The LOX in the '90s all 'bout the Bengies (Yes)
Diamonds on my lenses, there's nothin' that's too expensive
CEO of the label, I handle all of the business
I make moves to never go broke, ah, be my witness
You the one who ain't got no money be steady bitchin'
And I'm the one, keep pilin' up millions that makin' interest

We are the ones, who come up beatin' the drums
We are the ones, in slums, we blazin' our blood
We are the ones, who do what they want, who do what they want
Would want, and we runnin' it up
