

The Persistence

Kingcrow

Never
Ending
Struggle
To keep it in line
And sail

High walls
Made of
Water
They're barring your sight
Away from home

Plant your foot down
And brace yourself for the waves
Plant your foot down
Do not get overwhelmed

Never
Ending
Struggle
To keep it in line
And sail

High walls
Made of
Water
They're barring your sight
Away from home

I won't stop
Straight ahead
Sail with me
Until we hit new lands

To face the fear of the unknown
Surfing over the foam
Standing in spite of the hail
Overcoming the storm

I won't stop
Straight ahead
Sail with me
Until we hit new lands
