

Always On the Run

Kingdom Come

The time has come I have to leave again
I will be back but I just don't know when
My heart is aching every time I leave
I can't explain the force inside of me

I'm trying hard to keep my tears inside
The years have taught me how to ease my mind
I travel high above the clouds.
The sun comes out just as I'm looking out

What have I become
Always on the run
Where do I belong
Always on the run

It's good to know that someone cares
When I'll arrive my friends will all be there
I've done it many times before
Don't know if I can take it anymore
