Perfect 'O'

Kingdom Come

Passion rises between us, babe Wanna take you in my arms Slide your body down on mine Come and move me like ocean waves

Ooh, let it go I hear you moan Oh, perfect 'o'

Touch the secret inside you, babe While our bodies shakin' so Oh, the way you tease and please It's only you I want to rock and roll

Ooh, let it go
I hear you moan
Oh, perfect 'o'
Oh yeah
Perfect'o'
