

## This Is My Life

## Kingdom Come

To many years kept passing missing the big sound  
To many years I'm coming playing my heart out

Don't ask me why  
Got no money  
Looking for discounts  
Driven inside  
Call me dummy  
I'm jumping the greyhound

It ain't wrong or right  
This is my life  
All those signs  
Saying Showtime

Now I'm back  
I am so glad  
Thinking back  
Have a good laugh

Never too late  
Chasing good times  
In through the outdoor  
Got a cool band  
We're ready  
Now heading westbound
