

# I'm in Love

Kingmaker

I'm ugly oh it's tragic  
I'm beautifully sad  
Thank god for selfish pity  
For years that's all I had  
And I hate me oh for saying this  
Cos it's boring you to tears  
Wonderfully miserable is a trap I always feared

Oh - but I crave to be loved she said she said - she said it again

Oh - for I crave to beloved - and when will this end the drunken hours

I'm a dying flower - she screamed she cried she fell  
I'm in love, I'm in love  
I'm in love, I'm in love  
I'm in love, I'm in love  
I'm in love, I'm in love

I'm alone and oh it's peaceful

Watch my mental health

I miss you only slightly less than I like being with myself  
And I know you worry about me when I'm always in my room  
But at the end of the day you think it's strange that  
I'm not longing for you!

Oh - but I crave to be loved she said she said - she said it again

Oh - for I crave to beloved - and when will this end the drunken hours

I'm a dying flower - she screamed she cried she fell  
I'm in love, I'm in love  
I'm in love, I'm in love  
I'm in love, I'm in love  
I'm in love, I'm in love
