

# Playground Brutality

Kingmaker

The falling of your tears  
Was the best environmental news  
We've had in years  
'round here

Everything looks vulgar... sometimes  
I'll write THAT out  
A hundred times  
Coughing up the chalk dust  
I wonder why

Unhappy hour  
Begins at twelve

And my punishment doesn't just stop  
With the final bell

Is anybody there?  
Is anybody out there?  
Is anybody there?  
Is anybody out there?  
Is anybody there?  
Does anybody care?  
Is anybody there?  
Nobody in the whole world seems to care
