

The Weight Of My Words

Kings of Convenience

There are very many things
I would like to say to you,
But i've lost my way
And I've lost my words.

There are very many places
I would like to go
But I can't find the key
To open my door.

The weight of my words-
You can't feel it anymore.

The weight of my words-
You can't feel it anymore.

There are very many ways
I would like to break the spell
You've cast upon me.

Because all the time
I sacrificed myself
To make you want me,
Has made you hant me.

The weight of my words
You can't feel it anymore...
