

Family Tree

Kings of Leon

I tell you now that I don't understand,
why everybody gives a big hi-damn
oh where I'm going to
don't mean a thing to you

I see you sitting in your masquerade
I'd love to pour you some of my lemonade
and get it off alright,
we're caught in an early night

I know you hate me so, but I ain't gonna go
I'm staying here all right

I am your family tree
I know your A-Z,
this is a secret proposition lay your hands on me
Not gonna talk about darlin', its so neighbourly

I see your hands are shaking but my heart is breaking me down.

Its a pretty day and I'm gonna get alright,
I lost my head and you ain't nowhere in sight.
I see you got it all wrong
I got no calls on my phone

I just keep holding out, until I find a doubt
That you ain't coming home

I am your family tree
I know your A-Z,
this is a secret proposition lay your hands on me
Not gonna talk about darlin', its so neighbourly

I see your hands are shaking but my heart is breaking me down.

I am your family tree
I know your A-Z,
this is a secret proposition lay your hands on me
Not gonna talk about darlin', its so neighbourly
