

Head to Toe

Kings of Leon

Oh, he's such a sucker from her head to her toes (2x)
Conversation, Mississippi related, he's searching for the softb
all diamond.

Prancin' like a bad ass who never seen a church house, another
jolly face in the choir.

He's reaching and a kissin her mouth
Oh, he's such a sucker from her head to her toes (2x)

Screamin' at the cousin that never gets no lovin', the hairy mo
nkeys covered tonight. Falling over tables, a black eye with no
way home. And pouting underneath the street lights.

He's reaching and a kissin her mouth
Oh, he's such a sucker from her head to her toes (2x)
And no-one seems to like it out loud
Oh, he's such a sucker from her head to her toes (8x)
