

Hesitation Gen

Kings of Leon

Let's take this thing apart
Rebuild it with our hands
Modify the make and model
Patch it up and see what happens
I fixed my broken ribs
I played it where it lies
I went and got away with murder
Had 'em pin it on my neighbor

Think it over
It's as good as it's gonna be

Hesitation
I had nothing to say
Conversation
Only got in the way

They made me watch the tape
They wrote me off the page
They put me where the streets are empty
Where no one would ever find me out
And in my winning chair
I nearly took the bait
Part of me was almost happy
The rest of me had left the country

Think it over
It's as good as it's gonna be

Hesitation
I had nothing to say
Conversation
Only got in the way

Hesitation
I had nothing to say
Conversation
Only got in the way
It only got in the—
