

Bebop

King's X

Yeah!

A drop in the grey an awful truth
These momentums all about you
This confusion is clearer than most
My freedom has been challenged

Chains freedom buried with in
Walls of this kingdom always been thin
Stubborn fragile full of contempt
Addicted to this prison

Yeah!

Alright, yeah

Bebop be alive ya'll
Bebop be alive ya'll
Bebop be alive
What you gonna do, yeah
Bebop be alive ya'll
Bebop be alive ya'll
Bebop be alive
Awhop boba lo bop a wop bam boom!

Fighting the balance in between
Biting and living terrible scenes
Emotional animals standing to fall
Addicted to religion

God is something I don't understand
I know nothing is what I am
Tsunamis, earthquakes, terrible things
A hundred million reasons

Yeah!

Alright, now

Bebop be alive ya'll
Bebop be alive ya'll
Bebop be alive
What you gonna do, yeah
Bebop be alive ya'll
Bebop be alive ya'll
Bebop be alive
Awhop boba lo bop a wop bam boom!

Bebop be alive ya'll
Bebop be alive ya'll
Bebop be alive
What you gonna do, yeah
Bebop be alive ya'll
Bebop be alive ya'll
Bebop be alive
Awhop boba lo bop a wop bam boom!

Bebop be alive ya'll
Bebop be alive ya'll

Bebop be alive
What you gonna do, yeah
Bebop be alive ya'll
Bebop be alive ya'll
Bebop be alive
Awhop boba lo bop a wop bam boom!
