China boy standing up to a tank
Southern boy living in the house of yanks

Complain, so much easier
I Complain, so much easier
Complain, so much easier
Complain, so much easier
I complain, so much easier
Complain, so much easier
Complain, complain

Complain, so much easier
I complain, so much easier
Complain, so much easier
Complain, so much easier
I complain, so much easier
Complain, so much easier
Complain, complain
