

## Don't Care

King's X

Lies, games, webs of pain  
Giving, taking all abuse  
Contention, extension, I will not be shamed  
Crossing the breaker, I'm on the way

I just don't care like I used to  
(I just don't care like I used to)  
I don't care about you  
I just don't care like I used to  
(I just don't care like I used to)  
I just care about

Blind, find, peace of mind  
It's never what it really is  
Intention, rejection, little left away  
Crossing the breaker, I'm on my way

I just don't care like I used to  
(I just don't care like I used to)  
I don't care about you  
I just don't care like I used to  
(I just don't care like I used to)  
I just care about you

Such a tossing to and fro  
It's become clear to me  
I just want to see the real  
From the fantasy

(I just don't care like I used to)  
Don't care, no no  
(I don't care about you) You  
(I just don't care like I used to)  
I don't care, I don't care  
(I just care about you)

Oh yeah  
(I don't care about you)  
One more time  
Oh yeah  
(I don't care about you)  
Oh yeah

(I don't care about you)  
(I just care about you)  
(I don't care about you)
