

## Far, Far Away

King's X

Inside it's lonely  
I drive my car  
Pass by the signs that speak our past  
Always remind me  
Can't block it out  
The story we all knew would last

She was lost yesterday  
(Far) far away  
(Far) far away

Familiar faces  
Annually haunt me  
The cold brings seasons of the heart  
Always reminded  
Can't block it out  
No one could see it from the start

She was lost yesterday  
(Far) far away  
(Far) far away

(Far) far away  
(Far) far away

Inside it's lonely  
I drive my car  
Pass by the signs that speak our past  
Always reminded  
Can't block it out  
The story we all knew would last

She was lost yesterday  
(Far) far away  
(Far) far away

(Far) far away  
(Far) far away  
Far, far away  
Far, far away
