

Go To Hell

King's X

I don't wanna go to hell
Nobody in their right mind wants to
But very few have done the things they have to do
To get to the promised land

I don't wanna go to hell
Nobody in their right mind wants to
But very few have done the things they have to do
To get to the promised land

I don't wanna go to hell
Nobody in their right mind wants to
But very few have done the things they have to do
