

# Honesty

King's X

I don't know where to begin  
'Cause I can't tell the shape I'm in  
It feels my face is to the wind  
But I can't tell the shape I'm in

Honesty can kill  
Honesty can heal  
Honesty

I take my stay and then I go  
But I can't tell so I don't know  
If you are high I must be low  
But I can't tell so I don't know

Honesty from me  
Honesty be free  
Honesty

Honesty  
Honesty  
Honesty
