

# I'll Never Be The Same

King's X

She stands in the waiting  
She looks down to speak  
Your eyes speak invitation  
To follow with the beat

She said  
Oh no, I'll never be the same  
Struck my heart like lightning  
I'll never be the same

I've come to know the color  
Of indecisiveness  
Tell me what I'm feeling  
In seven words or less

She said  
Oh no, I'll never be the same  
Struck my heart like lightning  
I'll never be the same

The way looks awful lonely  
So long or maybe less  
The time has passed so slowly  
There's pressure on my chest

Your eyes speak invitation  
To follow with the beat  
So tell me what I'm feeling  
In seven words so speak

Oh no, I'll never be the same  
You struck my heart like lightning  
I'll never be the same

Oh no, I'll never be the same  
Struck my heart like lightning  
I'll never be the same

(Come on baby, come on along  
The road's not that long  
Gretchen, Gretchen, Gretchen  
I wanna go)
