King's X

You wanna be my friend, you wanna be my friend
You wanna be my friend, but I wanna be your lover

You, oh-oh

You wanna be my friend, you wanna be my friend
You wanna be my friend, but I wanna be your lover

You, oh-oh

You, oh-oh

You, oh-oh

You wanna be my friend, you wanna be my friend
You wanna be my friend, but I wanna be your lover
